Dear Ms. Dortch:

Re: Petition Of T-Mobile For FCC Designation As An Eligible
Telecommunications Carrier For Mobility Fund Phase I (Auction 901), WC
Docket No. 09-197, WT Docket No. 10-208, AU Docket No. 12-25

Dear Ms. Dortch:

T-Mobile USA, Inc. (“T-Mobile”) hereby files this erratum to the redacted and confidential versions of the Service Improvement Plans (“SIPs”) that it filed on April 27, 2012, which have been associated with T-Mobile’s pending Petition For FCC Designation As An Eligible Telecommunications Carrier For Mobility Fund Phase I (Auction 901), filed April 13, 2012 in the above-referenced dockets (the “Petition”).

Subsequent to the filing of the SIPs, on May 18, 2012, T-Mobile noticed a typographical error on the first page of all of the SIPs, both redacted and confidential versions, for PowerTel/Memphis, Inc. in the States of Alabama and Tennessee; for T-Mobile Central LLC in the State of Alabama; for T-Mobile South LLC in the States of Florida and North Carolina; and for T-Mobile Northeast LLC in the States of New Hampshire and New York, and the Commonwealth of Virginia. Specifically, on the first page of each such SIP under the document heading of “SERVICE IMPROVEMENT PLAN” there is a parenthetical “as of” date. The “as of” date identified in both the redacted and confidential versions of all the SIPs is “(as of April 20, 2011),” but the correct date for all such SIPs should be “(as of April 20, 2012).”

T-Mobile submits this letter as an erratum to correct the Commission’s record to reflect the correct “as of” date, as specified herein, for both the redacted and confidential versions of all the T-Mobile SIPs that were filed on April 27, 2012, and associated with

the Petition. T-Mobile respectfully requests that the Commission accept this erratum to correct this administrative, typographical error without delay to the current timeframe for the Commission's review of the Petition.

Please direct any questions concerning this matter to me.

Respectfully submitted,
